COMO REGIONAL PARK PLAN

Design Advisory Committee Guiding Principles:

- Join committee with open-mind and a willingness to listen and hear other views and ideas
- Serve in an advisory role to Parks and Recreation
- Balance input with larger citywide interests and needs, including the Parks and Rec Systems & Vision Plan
- Work respectfully in a group setting
- Committee members represent larger interest groups
- Reach decision through consensus, not majority votes
- Understand and balance needs of all park users
- City website will be central source of information for project
