### **Public Works**

**Mission:** Saint Paul Public Works is dedicated to preserving and enhancing infrastructure to ensure a safe and livable Capital City for all.

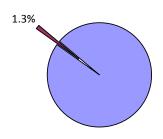

(Total 389.40 FTE) 12/28/1

## 2017 Adopted Budget Public Works

#### **Department Description:**

Public Works provides essential services to the people of Saint Paul in a prompt, courteous, safe, efficient, and cost effective manner. Through its dedicated employees, Public Works designs, builds, maintains and operates public infrastructure in a manner that respects the environment and preserves these assets for future generations. This infrastructure includes: Streets, Bridges, Sidewalks, Alleys, Sewers, Traffic Signals, Public Lighting, Pavement Marking, Signs, Parking Meters, Surveys, Recycling/Solid Waste and City Fleet.

#### Public Works' Portion of General Fund Spending

#### **Department Facts**

• Total General Fund Budget: \$3,193,025

• Total Special Fund Budget: \$143.367.325

• Total FTEs: 389.40

- 865 miles of streets.
- 806 miles of sanitary sewer; 450 miles of storm sewer.
- 1,014 miles of sidewalk.
- 61 city-owned bridges.
- 33,016 street light poles; 398 signalized intersections.
- 523 fleet rental units (vehicles and other equipment).

#### **Department Goals**

- Review, Rethink and Reorganize.
- Create transparency in budgeting and accounting.
- Communicate more effectively.
- Set standards and measure progress.

#### **Recent Accomplishments**

- A reorganization of the department to better align our work between engineering and operations and to capitalize on shared resources.
- On-going work to develop department metrics to measure our progress and ensure accountability.
- Re-Accreditation by the American Public Works Association.
- Development of a winter snow emergency smart phone app to help communicate snow emergency parking rules to the general public.
- Participated in city-wide pedestrian safety initiatives including a pilot program for Leading Pedestrian Indicators (LPI).
- Successfully issued a Request for Proposals and negotiated a new contract for the city recycling program.

#### **Budget Changes Summary**

The 2017 adopted budget for Public Works includes replacement of coin operated meters in the city's parking meter system and an increase in revenue due to parking meter rate adjustments. Several notable special fund changes are also included. The right-of-way fund includes new resources for annual bridge maintenance, and the sewer utility includes a volume rate increase of 3.5%, as well as an increase to the base fee to help support capital maintenance and the long-term health of the fund. The 2017 Mayor's Proposed budget included \$4,600,000 for the purchase of new wheeled recycling carts. The carts were purchased during the forth quarter 2016 and the recycling cart purchase was removed from the Adopted 2017 budget.

100: General Fund Public Works

In 2016, Public Works underwent a department-wide reorganization. The 2017 General Fund budget reflects staffing and overhead shifts asso reorganization. Other current service level adjustments include reduction in Car2Go revenues and other minor revenue changes.  Public Works reorganization Car2Go revenue Other revenue  Subtotal:  (3  Mavor's Proposed Changes  Parking Meter Rate Adjustments  The proposed budget includes a rate increase of \$0.25 per hour for all parking meters in the system. The rate increase will maximize the reverparking meters and help sustain operations of the parking meter system. Event parking rates will remain the same.  Anticipated revenue from daytime (8am - 6pm) rate increase Anticipated revenue from evening (6pm-10pm) rate increase Anticipated revenue from evening (6pm-10pm) rate increase  Subtotal:  Downtown and Capitol Coin Parking Meter Replacement  The proposed budget anticipates the continued modernization of Saint Paul's parking meter system. The modernization includes the replacer parking meters and will be paid for by a one-time transfer from the Parking Fund. The coin-only meter replacements includes:  • Replacement of approximately 350 coin-only parking meters in the downtown area  • Replacement of approximately 350 coin-only parking meters in the downtown area  • Replacement of 93 coin-only parking meters in the Capitol area on John Ireland Boulevard and Cedar Street  Downtown Coin-Only Meter Replacement  Capitol Area Coin-Only Meter Replacement  44  Capitol Area Coin-Only Meter Replacement  The Pedestrian Safety Coordinator  The Pedestrian Safety Coordinator will work towards zero pedestrian related traffic fatalities. The City of Saint Paul strives to make the city fri pedestrian, swhich enables more residents and employees to choose walking as an active, sustainable, and affordable transportation mode. #### **Current Service Level Adjustments**

#### **Mayor's Proposed Changes**

#### **Purchase of Equipment**

The department is currently undergoing a fleet management study to evaluate future equipment needs and financing mechanisms. A comprehensive fleet management plan will be created at the conclusion of the study. As such the five year Public Works Equipment Lease Program that began in 2012 was allowed to expire. New fleet purchases for 2017 will be informed by the study and will use existing spending authority as well as available reserves to begin implementing the plan.
