

SAINT PAUL
SAFETY & INSPECTIONS

Tips for clearing snow and ice:

Shovel sidewalks on all sides of your property, the full width of the sidewalk down to bare pavement, including corners, curb cuts, fire hydrants, bus stop areas.

Remove all ice from sidewalks. After the sidewalk is clear, sprinkle a little sand or salt to help prevent slipping.

If you have a corner property, please clear out all curb cuts to the street.

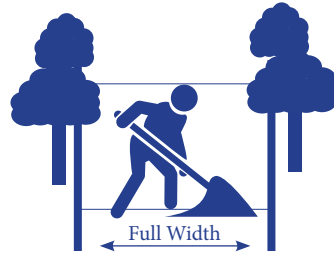

Questions or Complaints?

Visit the Department of Safety and Inspections at www.stpaul.gov/report-incident or call **651.266.8989**.

SAINT PAUL
SAFETY & INSPECTIONS

Snow and Ice Reminder:

- Keeping our sidewalks free of ice and snow is the neighborly thing to do.
- The owner or occupant of any building or lot abutting a public sidewalk is responsible for and shall remove any accumulation of snow and/or ice from said public sidewalk within twenty-four (24) hours after the snow and/or ice has ceased to fall, gather or accumulate. *(Sec. 113.02)*

Inspector notes:
