City of Saint Paul Labor Management Safety Committee

October 6th, 2010 Safety Message

A SAFE WORKPLACE

Is what City of Saint Paul and Saint Paul Regional Water Service employees have come to expect during their work day, and what we are committed to providing. The following bullet points highlight the components of our safe workplace!

- ❖ Joint labor / management safety committees at City wide and at a department / division / office level. Find out who your representatives are and do not be afraid to contact them!
- ❖ Management commitment to safety. The Mayor, City Council, and the Department and Office Managers support the LMSC and Safety!
- ❖ Employee commitment to safety. Each employee has a responsibility to work safely, to follow safety rules and regulations and to ensure that they wear required PPE.
- ***** Employee participation in safety committees.
- ❖ Safety messages from the LMSC distributed several times during the month.
- **!** Enforcement of all safety related rules and policies.
- ❖ Supervisor accountability for unsafe work practices that are allowed to continue.
- ❖ Ability to report all unsafe conditions to management be it via the LMSC's website at http://www.stpaul.gov/index.aspx?NID=3599 or to your supervisor or manager directly.
