Section 376.17 of the Saint Paul Legislative Code requires that any taxicab driver seeking original licensure (Provisional Operator/Driver Status) must enroll in and successfully complete the driver training course conducted by **Hennepin Technical College (763-488-2721)** within ninety days.

You must contact the college directly to enroll and/or to obtain information regarding available session dates/times, location, costs, etc.

When you have completed the course, you will receive a letter from the college acknowledging that you have passed the final exam. You must bring the letter, in-person, to the Department of Safety & Inspections and your provisional license will then be exchanged for a regular license at no additional cost.

Please be advised that your provisional license expires in three months. If you do not successfully complete the training class and submit proof by the expiration date, your license will be canceled and you will then be ineligible to reapply as a taxicab driver for six months from the date of cancellation.

Hennepin Technical College, Courtesy Cab Training course completions dating back a maximum of two years from the date of application will be accepted, the most flexible the Legislative Code allows. **If you previously completed the course more than two years prior to applying, you are required to retake the classes.**

If you have questions regarding this training requirement, contact Thomas Ferrara at 651-266-9087.
