- A. **PURPOSE:** Rezone from B2 Community Business to T2 Traditional Neighborhood.
- B. **PARCEL SIZE:** Approximately 5,800 square feet
- C. **EXISTING LAND USE:** Chiropractor/medical clinic
- D. **SURROUNDING LAND USE:** Swede Hollow Park to the south and southeast (RM2) and a mix of commercial/office/church/residential uses in both directions along Payne Avenue (B2, B3)
- E. **ZONING CODE CITATION:** §61.801(b) provides for changes to the zoning of property initiated by the property owner.
- F. **HISTORY/DISCUSSION:** The site was rezoned from B3 to B2 as part of a larger rezoning after 1975.
- G. **DISTRICT COUNCIL RECOMMENDATION:** The Payne Phalen District 5 Planning Council recommends approval of the application.
- H. **FINDINGS:**
 1. The application requests rezoning from B2 to T2 in order to permit conversion to a residential dwelling.
 2. The proposed zoning is consistent with the way this area has developed and the mixed land use pattern along this portion of Payne Avenue.
 3. The proposed zoning is consistent with the Comprehensive Plan, which designates the site as being part of an Established Neighborhood.
 4. The proposed zoning is compatible with the surrounding commercial, office, church, and residential uses.
 5. Court rulings have determined that "spot zoning" is illegal in Minnesota. Minnesota courts have stated that this term "*applies to zoning changes, typically limited to small plots of land, which establish a use classification inconsistent with the surrounding uses and create an island of nonconforming use within a larger zoned property.*" The proposed T2 zoning is not "spot zoning" because the T2 uses are consistent with the surrounding zoning designations and uses.

- I. **STAFF RECOMMENDATION:** Based on the above findings, staff recommends approval of the rezoning from B2 Community Business to T2 Traditional Neighborhood.

RE: Zoning File 14-324-966 Rezone from B2 Community Business to T2 Traditional Neighborhood 662 Payne Avenue St. of intersection at Beaumont Street

Dear Bill Dermody:

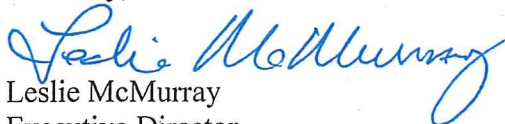

This letter is to serve as notice of the District Five Planning Council's position or recommendation on the above matter that is on the September 25th, 2014 Agenda of the St. Paul Zoning Committee.

The Payne Phalen District Five Planning Council's Community Planning & Economic Development (CPED) Committee met on Tuesday, September 9, 2014 at the Arlington Hills Community Center. The 662 Payne zoning matter was on the agenda. The owner, Mr. John Lenzi, presented his plan to turn an office into his homesteaded residence. Brief discussion followed his presentation.

The CPED Committee voted unanimously to recommend approval of the 662 Payne Avenue application to the City Zoning Committee. This CPED action will appear on the District Five Board of Director's Consent Agenda at its September 30, 2014 meeting.

Please do not hesitate to contact me if you have questions regarding this District Five Planning Council advisory input to the Zoning Committee.

Sincerely,

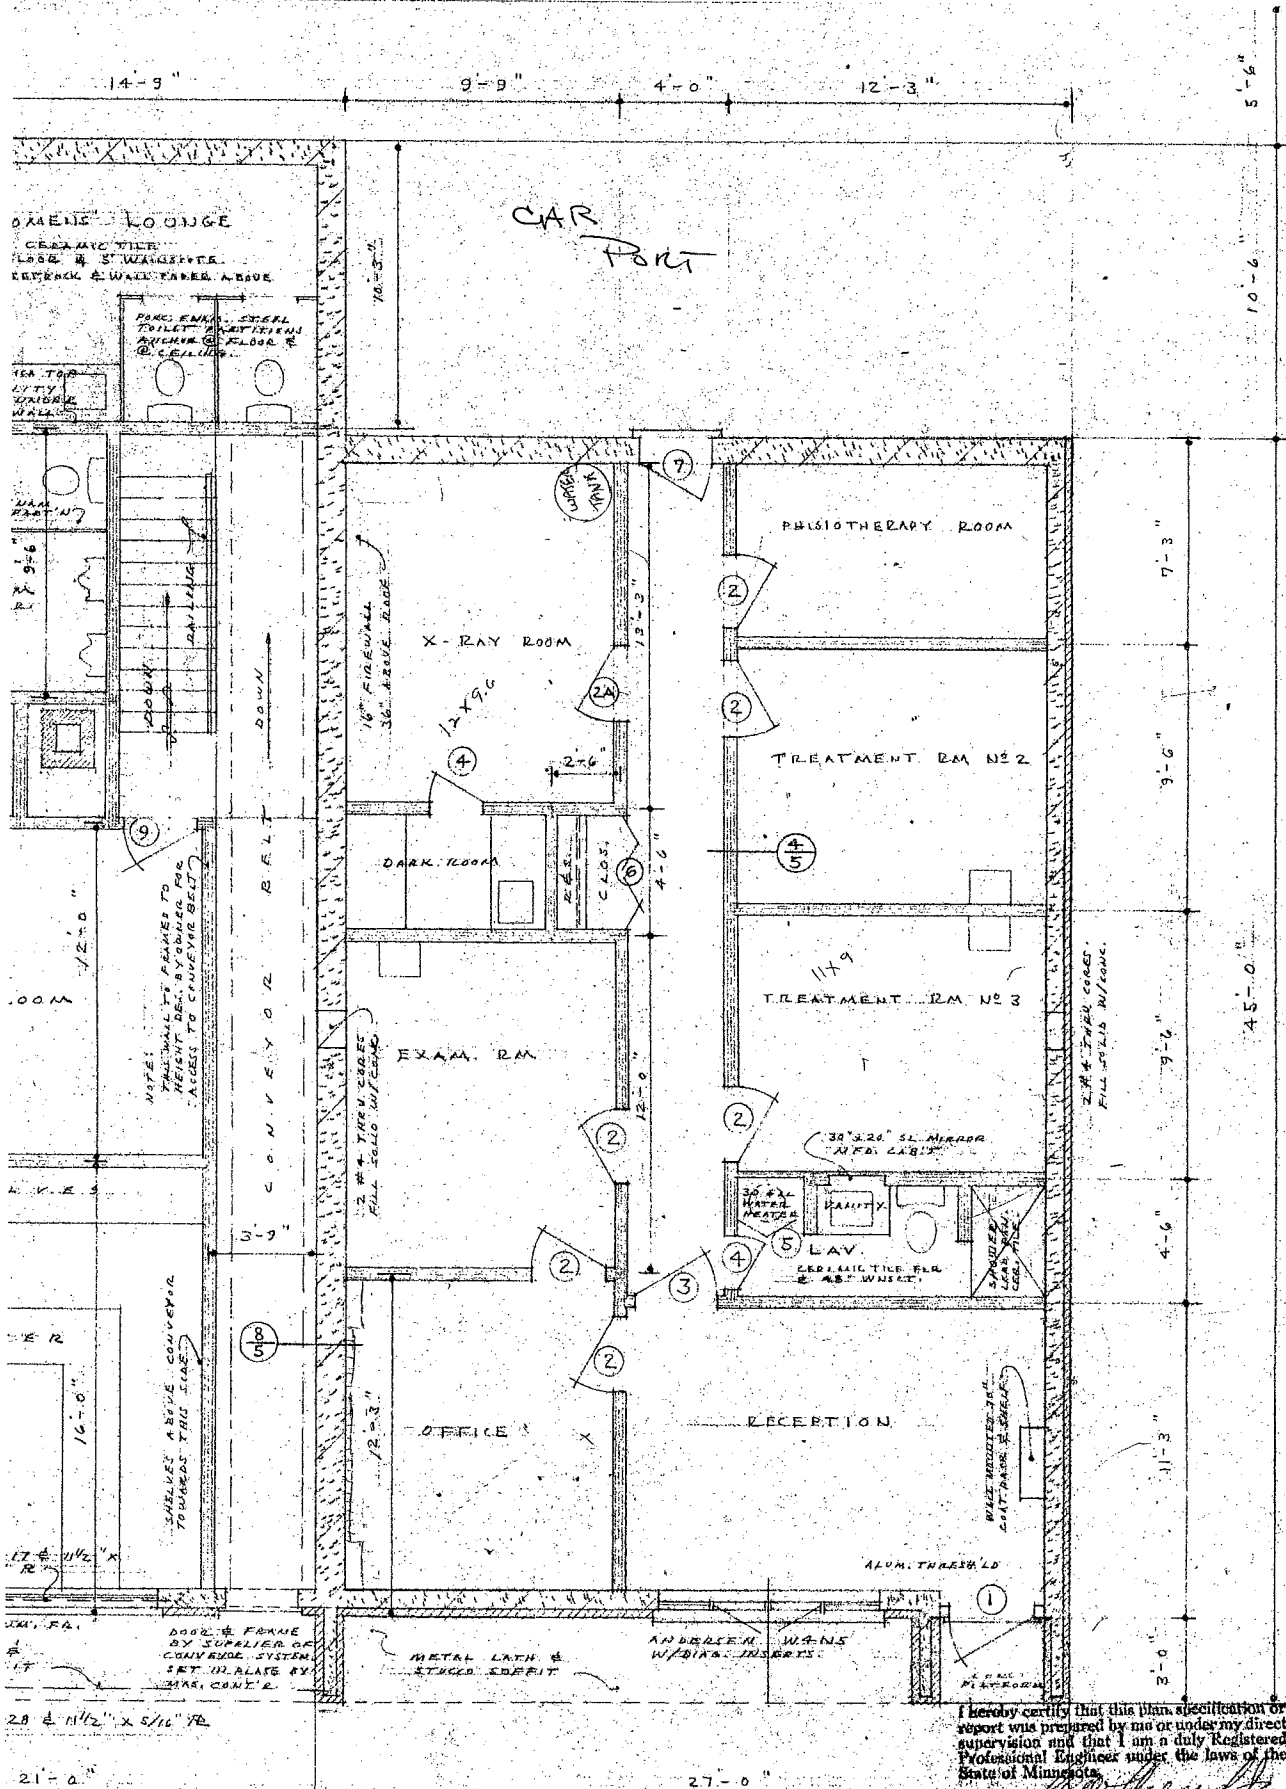

Leslie McMurray
