## PAYNE MARYLAND PROJECT UPDATE

Pictures tell a thousand words, so that is what is here for your viewing pleasure. These photos were taken 9/4/13 and show a lot of work happening and progress made.

The distinctive tower at the corner.

North wall of library and gymnasium.

The Community Room south window.

Community room waiting for a roof.

CAPRA Accreditation

An Affirmative Action Equal Opportunity Employer

National Gold Medal Award

Work on roofing started this week. The plumbing, heating, and electrical work is progressing with their piping and ductwork. Drilling of the 80 geo-thermal wells for heating and cooling will be completed this week, and welding together the piping to the wells will begin.

Serious construction activities.

Ductwork and supplies.

More ductwork and piping supplies.

Finish brick on the Community Room.

Steel bar-joists for the roof.

Stormwater drain structures.
