ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

6.2 It is recognized and accepted by the Employer and the Union that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during working hours only when consistent with such employees' duties and responsibilities. The steward involved and a grieving employee shall suffer no loss in pay when a grievance is processed during working hours, provided the steward and the employee have notified and received the approval of their supervisor to be absent to process a grievance and that such absence would not be detrimental to the work programs of the Employer.

6.3 Procedure established by this Article shall be the sole and exclusive procedure for the processing of grievances, which are defined as an alleged violation of the terms and conditions of this Agreement.

6.4 However, this Article does not abridge grievance rights possessed by eligible veterans under applicable veterans' rights statutes.

6.5 Grievances shall be resolved in conformance with the following procedure:

Step 1 – Upon the occurrence of an alleged violation of this agreement, the employee involved (with or without the steward) shall attempt to resolve the matter on an informal basis with the employee's supervisor. If the matter is not resolved to the employee's satisfaction by the informal discussion, it may be reduced to writing and referred to Step 2 by the Union. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the alleged section(s) of the agreement violated, and relief requested. Any alleged violation of the agreement not reduced to writing by the Union within fourteen (14) work days of the first occurrence of the event giving rise to the grievance shall be considered waived.

Step 2 – Within seven (7) work days after receiving the written grievance, a designated Employer supervisor shall meet with the Union Steward and attempt to resolve the grievance. If as a result of this meeting the grievance remains unresolved, the Employer shall reply in writing to the Union within seven (7) work days following this meeting.

The Union may refer the grievance in writing to Step 3 within seven (7) work days following receipt of the Employer's written answer. Any grievance not referred in writing by the Union within seven (7) work days following receipt of the Employer's answer shall be considered waived.

Step 3 – Within seven (7) work days following receipt of a grievance referred from Step 2, a designated Employer supervisor shall meet with the Union Business Manager or his/her designated representative, the Employee and the Steward and attempt to resolve the grievance. Within seven (7) work days following this meeting, the Employer shall reply in writing to the Union stating the Employer's answer concerning the grievance. If as a result of the written response the grievance remains unresolved, the Union may refer the grievance to Step 4. Any grievance not referred in writing by the Union to Step 4 within seven (7) work days following receipt of the Employer's answer shall be considered waived.

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

Step 4 – If the grievance remains unresolved, the Union may within seven (7) work days after the response of the Employer in Step 3, by written notice to the Employer, request arbitration of the grievance. The arbitration proceedings shall be conducted by an arbitrator to be selected from a permanent panel of five (5) arbitrators. Arbitrators shall be selected by lot within twenty (20) work days after notice has been given.

In the event the Employer and the Union cannot mutually agree to five (5) arbitrators for the permanent panel, the parties will petition the Director of the Bureau of Mediation Services for a list of ten (10) arbitrators for each panel member for which the parties did not mutually agree. The parties shall alternately strike names from such list(s), the Employer striking first, until one (1) name remains.

Vacancies occurring on the permanent panel during the life of this Agreement shall be filled by mutual agreement of the parties. If the parties cannot mutually agree, the vacancy shall be filled by the process noted in the preceding paragraph. This arbitrator selection process shall be effective only for the duration of this Agreement unless both parties mutually agree to extend such provisions.

At any time prior to the opening of an arbitration hearing, the parties may mutually agree to utilize the assistance of the Bureau of Mediation Services to attempt to mediate a resolution of the dispute.

- 6.6 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension.

The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented. The decision of the arbitrator shall be final and binding on the Employer, the Union, and the employees.

- 6.7 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record.
- 6.8 The time limits in each step of this procedure may be extended by mutual agreement of the Employer and the Union.

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

- 6.9 It is understood by the Union and the Employer that a grievance, other than a grievance arising from a disciplinary action, may be determined by either the grievance procedure of this Contract or by the provisions of the Civil Service Rules of the City of Saint Paul. If an issue is determined by this grievance procedure it shall not again be submitted for arbitration under the Civil Service Rules. If an issue is determined by the provisions of the Civil Service Rules it shall not again be submitted for arbitration under this grievance procedure.
- 6.10 The provisions of this Article 6 shall not apply to Section 3.9 of this Agreement.
- 6.11 The Employer agrees to provide courtesy copies of all correspondence to the Union Business Manager or Assistant Director to the President of Local 2508. This Section shall not be grievable.

ARTICLE 10 – INSURANCE (Continued)

The Employer agrees to contribute a maximum of \$300.00 per month toward the premium for single or family health insurance coverage offered by the Employer to regular retirees and their dependents. Any unused portion of the Employer's Contribution shall not be paid to the retiree.

This Section shall also apply to early retirees who retired under the provisions of Section 10.15 when such early retirees attain age sixty-five (65).

- 10.18 If an employee does not meet the condition of Section 10.13 (3), but has completed at least ten (10) years of service with the City, he/she may purchase single or family health insurance coverage through the Employer's insurance program. The total cost of such insurance coverage shall be paid by the retiree.
- 10.19 A retiree may not carry his/her spouse as a dependent if such spouse is also a City retiree or City employee and eligible for and is enrolled in the City health insurance program.
- 10.20 **Survivor Insurance:** The surviving spouse of an employee carrying family coverage at the time of his/her death due to a job connected injury or illness which was determined to have arisen out of and in the course of his/her employment under worker's compensation law shall continue to be eligible for city contribution in the same proportions as is provided for retired employees.

In the event of the death of an early retiree or a regular retiree, the dependents of the retiree shall have the option, within thirty (30) days, to continue the current hospitalization and medical benefits which said dependents previously had, at the premium and Employer contribution accorded to the eligible deceased retiree.

It is further understood that coverage shall cease in the event of:

- 10.20 (1) Subsequent remarriage of the surviving spouse of the deceased employee or retiree.
- 10.20 (2) The employment of the surviving spouse or dependent where health insurance is obtained through a group program provided by said employer. In this event, however, the surviving spouse or dependent shall have the right to maintain City health insurance for the first ninety (90) days of said employment.
- 10.21 Additional dependants beyond those of record at the time of retirement may not be added to the retiree's health insurance plan at City expense after retirement.
- 10.22 A retiree's participation in the City's health insurance plan must be continuous. The retiree must be participating in a City health insurance plan at the time of retirement. If a retiree chooses not to participate at the time of his/her retirement or if a retiree discontinues his/her participation at a later date, such retiree will not be eligible for any future participation or for any Employer contribution.

ARTICLE 11 – WORKING OUT OF CLASSIFICATION

- 11.1 The Employer shall avoid, whenever possible, working an employee on an out-of-class assignment for a prolonged period of time. Any employee working an out-of-class assignment for a period in excess of fifteen (15) working days during a year shall receive the rate of pay for the out-of-class assignment in a higher classification not later than the sixteenth (16th) day of such assignment.

For purposes of this Article, an out-of-class assignment is defined as an assignment of an employee to perform, on a full-time basis, all of the significant duties and responsibilities of a position different from the employee's regular position, and which is in a classification higher than the classification held by such employee.

The rate of pay for an approved out-of-class assignment shall be the same rate the employee would receive if such employee received a regular appointment to the higher classification.

- 11.2 For the following classifications, the provisions of Section 11.1 shall not apply to performance of the duties of the next higher classification in the job series:

Office Assistant I
Office Assistant I
Data Entry Operator I
Zookeeper I

ARTICLE 12 – SENIORITY

- 12.1 Seniority, for the purpose of this Agreement, shall be defined as follows: The length of continuous, regular, and probationary service with the Employer from the date an employee was first certified and appointed to a class title covered by this Agreement, it being further understood that seniority is confined to the current class assignment held by an employee. In cases where two (2) or more employees are appointed to the same class title on the same date, the seniority shall be determined by the employee's rank on the eligible list from which certification was made.
- 12.2 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 12.3 In the event it is determined by the Employer that it is necessary to reduce the work force, employees will be laid off by class title within each department based on inverse length of seniority as defined above.

However, when layoff occurs in any of the titles listed below under Column A, layoff shall be based on inverse length of total seniority in all titles listed on the corresponding line under Column B. The Human Resources Department will identify such least senior employee in that title in the department reducing positions, and shall notify said employee of his/her reduction from the department.

If there are any vacancies in any of the titles under Column B on which seniority was based, in any other City department, the Human Resources Department shall place the affected employee in such vacancy.

If two (2) or more vacant positions are available, the Human Resources Department shall decide which vacant positions the affected employee shall fill. If no vacancy exists in such titles, then the least senior City employee in such titles shall be identified, and if the employee affected by the original departmental reduction is more senior, he/she shall have the right to claim that position and the least senior City employee in such titles shall be the employee laid off. For the purposes of this Article, the Board of Education is not included as a City department nor is a Board of Education employee included as a City employee.

ARTICLE 12 – SENIORITY (Continued)

- 12.4 In cases where there are promotional series, such as Office Assistant I, II, III, etc., when the number of employees in these higher titles is to be reduced, employees who have held lower titles which are in this bargaining unit will be offered reductions to the highest of these titles to which class seniority would keep them from being laid off, before layoffs are made by any class title within any department.
- 12.5 In cases where an employee to be laid off has held no regular appointment in a lower title in the same promotional series as his/her current title, that employee will be offered a reduction to the title within the bargaining unit to which he/she was regularly appointed immediately prior to his/her current title, so long as there is either a vacancy or, if no vacancy exists, a less senior employee in such title may be displaced. In cases where an employee to be laid off has held no regular appointment to any titles immediately prior to his/her current title, said employee shall be laid off.

The employee reducing into a title formerly held must satisfactorily complete a six-month probationary period in such title.

If the probationary period is not satisfactory, the employee shall, at any time during the probationary period, be reinstated to his/her former title and shall be laid off, but such employee's name will be placed on the reinstatement register in his/her former title and "bumping" rights herein shall not again apply to such employee.

This procedure will be followed by the City for City employees, and by the Board of Education for Board of Education employees; however, City employees being reduced or laid off may not displace Board of Education employees; Board of Education employees being reduced or laid off may not displace City employees.

- 12.6 It is understood that such employees will pick up their former seniority date in any class of positions which they previously held.
- 12.7 Recall from layoff shall be in inverse order of layoff, except that recall rights shall expire after two (2) years of layoff.
- 12.8 Employees assigned to these divisions in the Police Department: Impound Lot, Property Room, Communication Center, and/or Records, shall be allowed to bid for work shifts (i.e. midnights, days, and afternoons), on the basis of seniority when a vacancy occurs within the employees' classification in their division.
- 12.9 In the event the Employer believes it is necessary to merge, contract out, or subcontract any public work performed by employees covered by this Agreement which may lead to layoff, the Employer will notify the Union no less than forty-five (45) calendar days in advance. During the forty-five (45) days, the Employer will meet with the Union and discuss possible options to contracting out or ways and means to minimize the elimination of positions.

ARTICLE 13 – POST EMPLOYMENT HEALTH PLAN (PEHP)

13.1 Effective January 1, 2008, employees may be eligible for a Post Employment Health Plan (PEHP) contribution by the Employer of \$200.00. Employees who have completed twenty (20) years of service shall have a \$276.00 PEHP contribution paid by the Employer as indicated in the eligibility requirements below.

13.2 Eligibility and implementation:

- a) For initial contribution, employees must have been employed for a minimum of one (1) calendar year.
- b) Employees must be a member of the bargaining unit for a minimum of one (1) calendar year.
- c) City contributions will be made by April 1 of the following year.
- d) Employees must be on the payroll as of the date of contribution.
- e) If an employee takes a leave of absence to serve as a full-time union official, time served in such capacity, up to six (6) years, will be counted toward the years of service requirement.
- f) Qualifying years of service for the twenty (20) year rate must have been attained by January 1 of the previous plan year.

ARTICLE 14 – BULLETIN BOARDS

14.1 The Employer shall provide reasonable bulletin space for use by the Union in posting notices of Union business and activities. Said bulletin board space shall not be used by the Union for political purposes other than Union elections.

Use of this bulletin board is subject to approval of the Department Head.

ARTICLE 15 – WAGES

15.1 For purposes of this Contract, the wage schedule shall be Appendix A, attached hereto. Both parties agree that the inclusion of the classifications and salary ranges in Appendix A does not preclude the Employer from the following:

- 1. Reorganizing;
- 2. Abolishing classifications;
- 3. Establishing new classifications;
- 4. Re-grading classifications;
- 5. Reclassifying positions.

Both parties also agree that titles and grades in Appendix A refer to employees in the positions at the date of signing of the agreement. No employee in this bargaining unit shall suffer any reduction in salary because of a re-grading or reclassification during the contract period in which such re-grading or reclassification takes place.

ARTICLE 15 – WAGES (Continued)

- 15.2 Individual employees may request an audit of his/her position whenever the nature of the work and/or responsibilities in his/her position have substantially changed. When an employee has submitted a fully completed job profile to his/her supervisor requesting a classification study of his/her position, responsible Managers in the Department where the employee works shall have thirty (30) calendar days to complete their portion of the JAQ (job profile) and forward it to the Office of Human Resources. The staff of the Office of Human Resources will complete the study within sixty (60) days after the fully completed job profile is submitted to the Office of Human Resources by the employee's supervisors.

If the Employer finds the employee has assumed a higher level of responsibility but does not want the employee working at that level on a permanent basis, the Employer will present the employee with a written list of duties which the employee is expected to cease performing.

ARTICLE 16 – MAINTENANCE OF STANDARDS

- 16.1 The parties agree that all conditions of employment relating to wages, hours of work, overtime differentials, vacations, and all other general working conditions shall be maintained at not less than the highest minimum standard set forth in the Civil Service Rules of the City of Saint Paul (Resolution No. 3250) and the Saint Paul Salary Plan and Rates of Compensation at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.
- 16.2 Civil Service Rules 8.A.3 and Civil Service Rule 14 shall not apply to applicants and employees from Independent School District No. 625.

ARTICLE 17 – LEAVES OF ABSENCE

- 17.1 **Leave of Absence:** After three (3) months employment, an employee may make application for a leave of absence not to exceed one (1) year. A leave of absence shall be granted on the basis established in the Civil Service Rules (Resolution No. 3250).
- 17.2 **Sick Leave:** Effective January 1, 2006, sick leave shall accumulate at the rate of .0539 for each hour on the payroll, excluding overtime. Sick leave accumulation is unlimited. To be eligible for sick leave the employee must report to his/her supervisor no later than one-half hour past his/her regular scheduled starting time. The granting of sick leave shall be subject to the terms and provisions of Resolution No. 3250 of the City of Saint Paul.

For absences due to sickness of seven (7) or fewer calendar days, the Employer shall require a physician's certificate or additional certificates only when there is reason to suspect abuse of sick leave or to verify that an employee is fit to return to his/her position. The Employer's requirement of a certificate under this section shall not be arbitrable.

ARTICLE 17 – LEAVES OF ABSENCE (Continued)

- 17.3 **Sick Leave Use and Bereavement:** Any employee who has accumulated sick leave credits as provided above shall be granted leave with pay for such period of time as the Head of the Department deems necessary on account of sickness or injury of the employee, quarantine established by a public health enforcement agency, death of the employee's mother, father, spouse, child, brother, sister, mother-in-law, father-in-law, or other person who is a member of the household or co-worker; and may be granted leave with pay for such time as is actually necessary for office visits to a doctor, dentist, optometrist, etc.
- 17.4 **Leave Without Pay:** Any employee who engages in active service in time of war or other emergency declared by proper authority of any of the military or naval forces of the state or of the United States for which leave is not otherwise allowed by law shall be entitled to leave of absence from employment without pay during such service with right of reinstatement and subject to such conditions as are imposed by law.
- Such leaves of absence as are granted under Article 19 (MILITARY LEAVE OF ABSENCE) shall conform to Minnesota Statute, Section 192, as amended from time to time, and shall confer no additional benefits other than those granted by said statute.
- 17.5 **Jury Duty:** Employees who are required during regular working hours to appear in court as jurors or witnesses, except as a witness in their own behalf against the City, shall be paid their regular pay while so engaged, provided that any fees that employees may receive from the court for such services shall be paid to the City and be deposited with the Employer. Employees scheduled to work a shift other than the normal daytime shift, shall be rescheduled to work the normal daytime shift during such time as he/she is required to appear in court as a juror or witness.
- 17.6 **Funeral Leave:** Any employee who has accumulated sick leave credits, as provided in the Civil Service Rules, shall be granted one (1) day of such leave to attend the funeral of the employee's grandparent or grandchild.
- 17.7 **Union Leave:** An employee elected or appointed to a full-time paid position by the exclusive representative may be granted a leave of absence without pay for not more than two (2) years for the purpose of conducting the duties of the exclusive representative.
- 17.8 **Maternity and Parental Leave:** Pregnant employees of the City of Saint Paul shall be eligible for the use of paid sick leave and unpaid leave of absence in the same manner as any other disabled or ill City employee. Such paid sick leave eligibility shall begin upon certification by the employee's attending physician that the employee is disabled in terms of her ability to perform the duties of her position.

A twelve (12) month Parental leave of absence without pay shall be granted to a natural parent or an adoptive parent who requests such leave in conjunction with the birth or adoption of a child. Such leave may be extended an additional twelve (12) months by mutual agreement between the employee and the Employer.

ARTICLE 17 – LEAVES OF ABSENCE (Continued)

Refusal on the part of the Employer to grant an extension of such leave shall not be subject to the provisions of Article 6 (EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE) of this Agreement.

Employees who return following such leaves of absence shall be placed in a position of equivalent salary and tenure as the one held just prior to the beginning of his/her leave.

- 17.9 **Sick Leave for a Child:** An employee may use personal sick leave benefits provided by the Employer for absences due to an illness of or injury to the employee's child for such reasonable periods as the employee's attendance with the child may be necessary, on the same terms the employee is able to use sick leave benefits for the employee's own illness or injury. This section applies only to personal sick leave benefits payable to the employee from the Employer's general assets.

For purposes of this Section, "personal sick leave benefits" means time accrued and available to an employee to be used as a result of absence from work due to personal illness or injury, but does not include short-term or long-term disability or other salary continuation benefits.

- 17.10 **Child School Leave:** An employee shall be granted up to a total of sixteen (16) hours during a school year to attend school conferences or classroom activities related to the employee's child, provided the conferences or classroom activities cannot be scheduled during non-work hours.

When the leave cannot be scheduled during non-work hours and the need for the leave is foreseeable, the employee must provide reasonable prior notice of the leave and make a reasonable effort to schedule the leave so as not to disrupt unduly the operations of the Employer. An employee shall be allowed to use vacation or compensatory time for this leave; otherwise, this leave shall be without pay.

- 17.11 **Voluntary Unpaid Leave of Absence:** A full-time employee may be granted up to four hundred and eighty (480) hours of voluntary leave of absence without pay during the fiscal year. During such leave of absence, the employee shall continue to earn and accrue vacation and sick leave, seniority credits, and maintain insurance eligibility as though he or she were on the payroll.

Any leave of absence granted under this provision is subject to the approval of the Department Head.

ARTICLE 18 – SICK LEAVE USAGE FOR DEPENDENT CARE

18.1 In the case of a serious illness or disability of a parent or household member, the Head of the Department shall grant leave with pay in order for the employee to care for or make arrangements for the care of such sick or disabled persons. Such paid leave shall be drawn from the employee's accumulated sick leave credits. Use of such sick leave shall be limited to forty (40) hours per incident. An employee may use sick leave for absences due to an illness of the employee's child for such reasonable periods as the employee's attendance with the child may be necessary, on the same terms the employee is able to use sick leave for his or her own illness. An employee may also use up to forty (40) hours per incident to arrange for the care of a seriously ill or disabled child.

18.2 The Head of the Department or the Director of Human Resources may require a physician's certificate or additional certificates at any time during an employee's use of sick leave for the purposes stated in Section 18.1 above. All such certificates shall be forwarded by the appointing officer to the Human Resources Office.

If an employee is absent because of the provisions of Section 18.1 for three (3) or fewer calendar days he/she shall submit to the Head of the Department a certificate signed by the employee stating the nature of the child, parent, or household member's sickness. If the sickness continues for more than three (3) calendar days, no further sick leave shall be granted unless or until a physician is consulted. The sick leave may be continued from and include the day of consultation, but only if a certificate signed by the physician certifying to the nature and period of the person's sickness is submitted and approved by the Head of the Department and forwarded to the Office of Human Resources.

18.3 No sick leave shall be granted for the above reasons unless the employee reports to his/her Department Head the necessity for the absence not later than one-half hour after his/her regularly scheduled time to report for work, unless he/she can show to the satisfaction of the Department Head that the failure to report was excusable.

18.4 An employee shall be paid under the provisions of this paragraph only for the number of days or hours for which he/she would normally have been paid if he/she had not been on sick leave.

Such leave shall not be allowed unless the employee (1) returns to his/her position immediately upon being relieved from such military or naval service and not later than the expiration of time herein limited for such leave, or (2) is prevented from so returning by physical or mental disability or other cause not due to such employee's own fault, or (3) is required by proper authority to continue in such military or naval service beyond the time herein limited for such leave.

In the event of a violation of this Article, the Employer will warn employees of the consequences of their action and shall instruct them to immediately return to their normal duties.

This Agreement is entered into by and between the City of Saint Paul, Division of Information Services and the AFSCME Clerical Local 2508 and AFSCME Technical Local 1842 bargaining units (Union).

1. Employees of the Division of Information Services (IS) who are telephoned at home or paged and are subsequently requested to resolve a critical information system problem, shall be granted two (2) hours minimum compensation either in compensatory time or pay for their efforts per incident. An incident shall begin when the telephone or page is answered and end when the problem is either resolved or further efforts are deemed futile. This means multiple calls regarding the same problem are considered one incident.
2. If the IS employee is represented by the AFSCME Clerical or Technical bargaining unit and resolution of the problem takes less than one and one half (1.5) hours, the employee will be paid straight time for the two (2) hour minimum. If the resolution of the problem takes more than one and one half (1.5) hours, then the overtime provisions of the contract will apply.
3. The City and the Union agree that this language is experimental and shall not extend beyond the term of this Agreement unless both parties act affirmatively to renew or modify this clause in bargaining for the next contract.

APPENDIX C – COMMITMENT TO LMCHI

This letter confirms that the parties entered into the 2013-2015 Agreement with the following intentions and expectations regarding the health insurance issues that face the City:

1. The rising cost of health insurance is an issue of vital importance to both the City and its employees. The responsibility to contain these costs falls jointly on the City, its Unions and the employees.
2. The City's Joint Labor/Management Committee on Health Insurance (LMCHI) is a longstanding forum that has successfully resolved issues of joint concern in the past.
3. The parties to this letter believe the LMCHI is a forum that must continue to be supported. By signing this letter, the parties hereby renew their commitment to work in good faith on the LMCHI and support the bylaws of the committee which encourages the Administration of the City to seek a consensus recommendation from all the Unions prior to making any changes in plan design.
