PUBLIC WORKS

Shepard Road Bridge Repairs in 2024

What is happening?

Public Works will be doing repairs on the Shepard Road Bridge near Otto Avenue in 2024. Bridge work will include expansion joint replacements, deck spot repairs, and the replacement of approach panels.

When is this happening?

Construction is scheduled to start April 22, 2024 and is anticipated to take approximately 4 months to complete, weather permitting.

Project Impacts

Traffic Impacts

- Shepard Road will remain open during construction. There will be no posted detours.
- Lane closures will occur west of Otto Avenue.
- Safe work zone speed limits will be posted. Please follow all posted signs.

Trail Impacts

- Trail access will be maintained during construction.
- Trail may be temporarily relocated to designated on street location. Temporary concrete barriers will be added to increase safety for trail users during construction.
- Trees will not be impacted during construction.
