## Sec. 410.02. Fees.

The fees required for licenses issued under this chapter are established by ordinance as specified in section 310.01. of the Saint Paul Legislative Code.

(Code 1956, § 310.03; Ord. No. 16843, 10-20-81; C.F. No. 99-527, § 1, 7-7-99; Ord 22-48, § 3, 11-9-22)

## Sec. 410.03. Licensing requirements.

For Class N licenses issued under this chapter, the Uniform License Procedures laid out in Chapter 310.02(2) of the Saint Paul Legislative Code pertaining to applications, new applications investigation and review, notice, levels of approval, objections and renewal procedures for Class N licenses apply.

For any Class T, temporary license issued under this chapter, the Uniform License Procedures laid out in Chapter 310.02 (3) of the Saint Paul Legislative Code pertaining to applications, new applications investigation and review, notice, levels of approval, objections and renewal procedures for Class T licenses apply.

- (a) *Application.* In accordance with Saint Paul Legislative Code Section 310.02(2)(a) any person desiring a license to sell malt liquor or 3.2 percent malt liquor must make their verified application in writing upon a form prescribed by the liquor control commission of the state and with additional information as the city requires.
- (b) *Persons eligible for licenses issued under this chapter.* Notwithstanding the provisions of Minnesota Statutes, Chapter 364, a retail license may not be issued to:
  - (1) Persons under twenty-one (21) years of age;
  - (2) Persons who have had a liquor license revoked within the last five (5) years;
  - (3) Persons who have been convicted of a felony within the last five (5) years;
  - (4) Persons who have a direct or indirect interest in a manufacturer, brewer, or wholesaler;
  - (5) Persons who are not of good moral character and repute.
- (c) *Exception if compliance with other bonding requirements.* For those applicants also applying for or already having an on-sale wine license pursuant to section 409.13, compliance with the bonding requirements of section 310.02(2) satisfies the bonding requirements of paragraph (c) of this section.
- (d) *License within three hundred (300) feet of another license.* No license may be issued for off-sale 3.2 percent malt liquor for any location which is within a radius of three hundred (300) feet as measured from property line to property line of any existing establishment with a license to sell off-sale 3.2 percent malt liquor
  - (1) The council may waive the restrictions set forth in paragraph (d) above relating to distance if it makes findings that such a license is not inconsistent with the health, safety, morals and general welfare of the adjoining neighbors or community. Factors which may be considered include but are not limited to the following: the likelihood of increased noise, traffic, litter, loitering or unlawful behavior by patrons of the establishment, excessive artificial lighting, substantial decrease in adjoining property values, and the extent to which any of the potential problems can be addressed by conditions on the license.
  - (2) An establishment holding a valid license on the effective date of this amendment is not [to] be affected by this limitation but shall be entitled to have such license renewed so long as they are in compliance with all other requirements of law and there exist no grounds for adverse action against such license.

license to the property line of any school in the area for which the license is sought. This prohibition does not apply to any malt liquor on-sale licenses issued or located within the Downtown Business District. All licenses in force and effect on November 10, 1962, the location of which license is in conflict with the provisions hereof may be renewed or otherwise dealt with in accordance with law, it being the intent of this paragraph to be applied prospectively for proposed locations of licenses, and further it being the intent of this paragraph that the limitations set forth in this paragraph may in no manner be applicable to any hotel or motel.

Upon written petition signed on behalf of the school located within three hundred (300) feet of the proposed location of the license, the council may by a five-sevenths vote disregard the provisions of this paragraph insofar as location adjacent to a school.

- (f) *Unlawful use of weapons.* If during any twelve-month period there are reported two (2) or more incidents involving unlawful use or handling of firearms, assault weapons or knives, as defined in section 225.01, on any licensed on-sale premises, a public hearing must be conducted by the council. Any adverse action may be considered by the council pursuant to the hearing provisions of section 310.03.
- (g) *Prohibited interests.* A holder of a license as manufacturer, brewer or wholesaler may not have any interest or ownership, in whole or in part, in a business holding a malt liquor license or in the license so held, but a manufacturer or wholesaler of intoxicating or malt liquor may use or have property rented for retail nonintoxicating liquor sales if the manufacturer or wholesaler has owned the property continuously since November 1, 1933. For the purpose of this paragraph the term "interest":
  - (1) Includes any pecuniary interest in the ownership, operation, management or profits of a retail liquor establishment, and a person who receives money from time to time, directly or indirectly, from a licensee, in the absence of consideration and excluding gifts or donations, has a pecuniary interest in the retail license; and
  - (2) Does not include loans; rental agreements; open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to the establishment; an interest in a corporation owning or operating a hotel, but having at least one hundred fifty (150) or more rental units, holding a liquor license in conjunction therewith or ten (10) percent or less interest in any other corporation holding a license; and
  - (3) In determining whether an "interest" exists, the transaction must have been bona fide and the reasonable value of the goods and things received as consideration for a payment by the licensee and all other facts reasonably tending to prove or disprove the existence of a purposeful scheme or arrangement to evade the restrictions of this paragraph must be considered.
- (h) *Nonconforming clubs; transition.* The restrictions and requirements in sections 410.03(e) and 410.04(g) of this chapter do not apply to licenses issued under this chapter to a club which at the time of an application for an on-sale license held a private club license under former Chapter 404 of this Code for the same premises for which the on-sale license hereunder is sought or will be issued for so long as the on-sale license remains at that location and the licensed premises is not enlarged. Such licensed premises will be deemed a lawful nonconforming use under the zoning code.

- (f) *Sales on days of parades.* When a licensee is notified by the police department that a parade will be held within one (1) block of the licensee's establishment, all malt liquor and liquid of any type sold during the entire day of said parade must be sold only in plastic or paper containers.
