**Citywide Sewer Work: Desnoyer Ave
October 2024**

Dear Saint Paul Resident or Property Owner:

The Saint Paul Public Works Sewer Utility is working with a contractor (SGP Contracting) to repair a defective sanitary sewer in the street in Desnoyer Ave near the intersection of Pelham Blvd. *See the map on the backside of this letter for details.*

The sewer repair work will begin the week of October 21st. Anticipate repairs (including surface restoration) will be completed within a two week duration (as weather allows).

How this impacts you:

- No parking signs will be posted near the construction site. Please follow all posted signs.
- There will be no impacts to your sanitary sewer service.

What is the cost?

There is no cost to property owners for the sewer work.

Questions:

For questions about the sewer work, please contact Nathan Florek at 651-266-5708 or Nathan.Florek@ci.stpaul.mn.us.

Sincerely,

Aaron Hass, P.E.
Civil Engineer IV
