

WHAT IS A SNOW EMERGENCY?

Special parking rules go into effect when a snow emergency is declared to allow all streets in Saint Paul to be plowed to the curb. The City does not plow alleys.

All residents and visitors must move their vehicles off of city streets according to the snow emergency parking rules.

Vehicles that are not parked according to the snow emergency rules will be ticketed and towed up to 96 hours after a snow emergency has gone into effect.

Always follow all posted signs. Do not park vehicles where signs say "No Parking."

WHEN IS A SNOW EMERGENCY DECLARED?

Saint Paul Public Works declares a snow emergency no later than 3 p.m. to allow time for residents and visitors to move their vehicles.

Many factors are considered before the City of Saint Paul declares a snow emergency, such as air and road temperatures, future weather forecasts, type of precipitation, and accumulation. The City often declares snow emergencies after snowfalls of 3 inches or more.

STPAUL.GOV/SNOW

NIGHT PLOW RULES

9 P.M. – 7 A.M.

DAY PLOW RULES

8 A.M. – 5 P.M.

Saint Paul plows more than 1,800 lane miles during the first 24 hours of a snow emergency. That's the same distance as driving from Saint Paul to Anaheim, CA!

Snow emergencies are declared by 3 p.m. and go into effect at 9 p.m. After the snow emergency goes into effect, ticketing and towing occur for a total of 96 hours for plowing and clean up efforts.

Vehicles can park on the street once it's been plowed to the curb.

Snow emergency Night Plow parking rules start at 9 p.m. the evening a snow emergency is declared, and continue until all Night Plow Routes have been plowed to the curb (usually by 7 a.m. the next day).

Night Plow Routes include ALL downtown streets (which are not marked) and all other streets that are marked with signs "Night Plow Route" or "Night Plow Route This Side of Street."

Do not park on any downtown streets or the side of the streets with these signs until that side of the street has been plowed to the curb.

Snow emergency Day Plow parking rules start at 8 a.m. the day after a snow emergency has been declared, and continue until all Day Plow Routes have been plowed to the curb.

Day Plow Routes are not marked by signs. If there are no "Night Plow" signs posted within the block, then consider it a Day Plow Route.

Always follow posted signs. Do not park vehicles where signs say "No Parking."

USE SAINT PAUL'S SNOW EMERGENCY PARKING MAP

Learn when and where you can park your vehicle during a snow emergency.

-  Sign up to receive text or email alerts.
-  Easily pinpoint your location on the map.
-  Save the map as an icon on your device homescreen

Visit stpaul.gov/snow for map and alerts.

Vehicles can be ticketed and towed up to 96 hours after a snow emergency has gone into effect if they are not moved during the Night and Day Plow Routes, or are parked in locations that have not been plowed.

IF YOUR VEHICLE IS TOWED DURING A SNOW EMERGENCY:

- 1 Visit stpaul.gov/impound for more information.
- 2 Call the City's impound lots to find out which one has your vehicle before going to the lot: 1129 Cathlin Street – 651-502-7478
- 3 Bring your keys, proper payment, and required documents: valid driver's license, proof of insurance, and proof of ownership (title).

HOW DO I REPORT A VEHICLE THAT NEEDS TO BE TOWED?

During the declared snow emergency, call the Saint Paul Public Works ticketing office at 651-266-9800, press option 2, to report a vehicle that has not moved and/or requires a ticket and tow.

After the 96-hour snow emergency, if a vehicle still needs a ticket and tow, call Saint Paul Police Parking Enforcement at 651-291-1111.
